Ad Text	THE US ARMY HAS PUNISHED CHELSEA MANNING for possessing books and magazines having to do with LGBTQ and political issues. They accused her of misconduct for having an expired tube of toothpaste and for brushing food off the table. They placed her in a solitary confinement – a torturous, extremely distressing experience. The whole cruel, corrupted system is against her. It looks like military prosecutors view Manning in a way that means she must be “broken” or forcefully assimilated because of her crime –first, because she exposed the government’s crimes, and government really doesn’t like it, and second, because she’s trans. Their goal is to see that Manning is as dehumanized as possible, but it's clear who the real non-humans are. Someone has gone to great lengths to paint Chelsea as a deceitful and psychotic character. But how many of those punishing Manning should themselves be in a psych ward? Transphobia is a one ugly thing. So sad when heroes like Chelsea Manning forced to suffer, to undergo injustice and humiliation, even though they had been through enough already! Free Chelsea Manning you sadistic creeps!! #ChelseaManning #FreeChelsea #transphobia #LGBT #transgender #PrideHeroes
